PRACTICE MANAGEMENT SOLUTIONS TO HELP YOU FOCUS ON YOUR PATIENTS

Welcome to **The Dawson Group**, where we utilize the latest electronic medical billing techniques and technology to ensure the highest return in the Medical Billing and Reimbursement industry.

With over 50 years of combined staff experience, The Dawson Group helps optimize your business, while you focus on what's most important - **your patients**.

We provide unparalleled efficiency to

our customers when it comes to electronic billing and claims follow-up. Our specialists aggressively follow up with insurance carriers' and patients' outstanding balances - **so you don't have to**.

In addition to **billing** and **reimbursement**, our services include **practice management, credentialing, third party billing, collections, certified coding, scanning, and archiving**.

Whatever your practice needs, **The Dawson Group can help!**
